Friday 4th

1901

Am reading some of my
Pansy Books. The one I am
reading now is "A Hero Craft
on the Family Tree". Am
working an edge on my
doily. Eva left a Birthday
letter for me at the door,
but she was mistaken
in the date. She & Tom
were in after school. She
had a quarrel with Marguerite
Carlisle, am going to send for
some Brown Pictures to-morrow.

Saturday 5th

Took my lesson after the
holy days. Have "Ich Fiehe Dich"
again. For next week. Called
up Doy's to tell Beatrice she
had the music program
for the next Young People's Meeting.
I wish a very happy Mrs. Rusty
is here. Mr. Peterson & maid came
to fix the gas burners. Mayura
& I were uptown in the
afternoon. I bought a round
doily for comb & brush. Sent
my letter away for the
pictures.
