WEDNESDAY 12

(346-19)

Mamma had to go to the
 church in the afternoon to
 keep quiet. She was in
 to Mr Lamm about a set of
 dishes. When papa came
 home to supper he had
 a letter from Alice saying
 she cannot play. So I have to.
 Papa went with me. Kate
 Sutton played a waltz & I played
 Boers by J. Adassow. Mr McIntyre
 gave a fine lecture on his
 trip. Then I played "God Save the Queen."
 I got a little mixed on it. Papa
 I had to go home with Mrs
 McLibbon. Ella was over at night.
