MONDAY 15

(288-77)

It is a lovely day. When I was waiting for mamma to hitch up I ran across to Woodruff's and got a basketful of vegetables. Ethel Tuckey came & helped me get a few. We drove down to Homer to have bell shod. I think we saw Mr. Maloney. Had some grapes. We went to Mrs Woodruff's for after some squashes. Belle was over to see me. Eva and Tom were over nearly all evening.
