

In the afternoon Dr Abbott drove down for mamma & I. Mrs Klotz was going, but sent word, we drove out Martindale way, past Overholls town, Hollywoy road through Port and home. Papa & mamma went to Dr Klotz, yet night Dr Abbott & Mrs Sulley were there. Tried to get butter at Lee's & Dummies, but failed.

SATURDAY 18

(230-185)

Had a nice rain this afternoon. Butter was 28¢ a lb. Dr Abbott & his brother from London, drove down. Papa was going with them fishing but so much rain afraid of a ducking, turned out on his own and ceased. Poor man got up on that fishing and drove. Mamma & I were nipton in afternoon. Bought a silver heart with a grape leaf in it. The only thing that worried me was the 30¢ I paid for it. Beta passed.
