

Got ready for church, but it looked rainy and I did not go. I was picking out a ring I would like. Have been reading "Auntie Fair". Went to Sunday School. Had Mrs Chatfield. There is a social of the Y. P. A. on Wednesday and the Congregational social on Friday night.

MONDAY 12

(816-49)

Mamma cleaned the parlor and got the plants in. She went uptown in the afternoon. I had to go to Miss Boyles to have my waist fit. Miss Nelson has a lot of pretty paintings. We were at Madame Sullivan's about mamma's skirt and she had forgotten about it. Miss Buckley is dead. Died yesterday afternoon. Fern Healy came down at night to tell me Mr Perry had elected me on the Music Committee of the Y. P. A. and I have to go Wednesday.
