Took my lesson. After I went  
 to the office with a telegram  
 for Dick W. Had to take it  
 myself as Sid was not there  
 yet. Cleaned my fish. Eva brought  
 me some claff. She graded  
 the new manilla and I went  
 uptown in afternoon. I got  
 enough red goods for a visit.  
 Went to Mrs. Boyle's and had  
 my measure taken. I ordered  
 three pieces. I love thee by  
 Gies, Hylequin by A. N. Bartlett  
 and La Papeillon. Etude de  
 Concert by C. Lavallée. Got a  
 Catalogue from Neuts. Mr. Reed  
 showed me some of R. Campbell's sketches.
