

Annie Trusty was here to tell us her mother will come to-morrow instead of Wednesday. She is very anxious about those stamps so in the afternoon I went over to Durmin's after soap & sugar then up to the stamp store to see if they were going to stop making books after Aug first. They are, Leta, Grace Wood, ds, Nell & Floyd were down at night. Leta wants me to go to a wheeling party tomorrow night.

TUESDAY 31

(212-153)

Mrs Trusty washed. Wood Bros are giving triple stamps to-day. If I had only waited to get my slippers, but I was not fooled as I needed a pair of rubbers. So at 18 stamps went to Dudley's to tell her I could not go to the wheeling party, but would come about 9 to the house. Nellie Lloyd called for me. They rode to Homer. Did not get back until after 9. Had ice cream & cake. Mr. Reed came home with me. The King of Italy (Umbert) has been assassinated. The Queen's em Duke of Saxe-Coburg & Gotha is dead.
