JUNE

FRIDAY 1

(152-213)

Last night about 10 o'clock we had an old drunken tramp after something to eat. Frank went home this morning. They had a report that Kruger was captured, but not true. Mr. Hollinson is dead. The Buycs works are going to Brantford. Mr. Mason spent Wednesday night. Got a letter from Miss Dugal wanting me to take her home to-morrow morning and she will take mine. We have had a fine rain since this morning. Papa brought the Wide World magazine for June to day. Was over to Lee's in morning.
