

Went to church in the morning. Sermon Matt. 28. 19. It was fine and warm this morning. Left my cape off, and put on my jacket to my green skirt which I meant to Sunday School. Winne Guest is coming to the Bible Class. The lesson was the "Beatitudes." Papa went for a walk. Mr Coy went with him. Papa, mamma, and I went to church at night. I think the sermon was "The Soul, its flight outward & upwards." M. Kimberley sang.

MONDAY 2

(92-275)

Was raining in the afternoon and I was going to church but was invited by Papa and I intended going to the concert in the Open St. Baptist Church. But it was raining harder than ever, Mrs Read-Hair was the first on programme. They had the Helebriah choruses of Gaudes. Mattie Coy and Mrs VanDusen were in an Octette.
