

Got my mudturtles ready.
 Put them in the tin tub
 After dinner mamma
 saw a water lily root on
 the ground, and here
 Dexter had taken my
 mudturtles out and she
 did not find them. Dr Abbott
 was down in the afternoon
 I had to go over to Fannus
 after papa. Saw Joe Carran.
 Mr Carran has been away.
 Rev. M. Kerr's son was buried
 this afternoon.

SUNDAY 26

(238-127)

Did not go to church as
 it was too warm. Tried
 to find some pictures for a
 small frame, but could not.
 Dr Abbott & Mrs Sulley were
 down in the afternoon,
 and I and papa went to
 the store. They brought
 a basket of apples home
 with them. Then they
 went back to the hotel
 and came down again
 after supper. They had
 not given a sacred concert this
 year.
