

Keep the Canadian Beaver

The State of New York, in the United States of America, intends to adopt the BEAVER as a state symbol in total and flagrant disregard of the fact that this animal has been a Canadian symbol for 300 years. The undersigned wish to register their strongest protest, and are signing this petition in order that their names may be forwarded to the Governor and legislators of New York State.

DAMN IT! THE BEAVER IS, HAS BEEN AND ALWAYS WILL BE A CANADIAN!
