SATURDAY 13

(286-79)

Took my music IV. of  
 Schumann's Op 26. Eva  
 came over and she is going  
 to the Fair. Papa and  
 mamma started right after  
 dinner for the twenty I  
 washed the dishes and  
 mended some small things.  
 Mrs Rusty did our washing to day.  
 Then Elsie and I went  
 uptown. She got a skirt I  
 took Paderewski to have him  
 framed. Eva brought me a Union  
 Jack Hatpin from Bealls. Mamma  
 found some lovely apples in the  
 orchard. I made some candy  
 with chocolate in. Fred's
