

Took my music lesson. Have  
 VI. Adassohn. Mr Read wanted to know  
 whether doing as it would be beneficial  
 to go to the oratorio rehearsal he is  
 going to have at Denzell. Have to get  
 three pieces, but I think I have one  
 so I came home then went back  
 to Eckhardt's last Valse Chromatique by Leschetizky  
 & Passepied from Le Roi s'amuse by Delibes.  
 Mrs J. Oberholt came in to see us,  
 and Mr Oberholt came after her. Allie  
 brought us some pears. Had to go to  
 Myers so I went to see Teta. I saw  
 her this morning & she wanted me to come.

SUNDAY 21

Very warm. Went to church  
 of John T. 51. I came home with  
 Beatrice. Walked down to MacDonalds  
 with her. Frank Coy has typhoid.  
 Papa let Dewey loose and he  
 ran for home but Papa caught  
 him. Papa Mamma went for a  
 drive and I went to Sunday  
 School. Lesson "Parable of Lost Sheep  
 and Lost Coin." Papa found some  
 lovely mushrooms around
