TUESDAY 5

(156-209)

Nice and warm to day.
 Practiced shows. Pretoria is
 taken at last, and the
 Mayor ordered the City building,
 and postoffice illuminated.
 Harrieta went uptown to
 order curtains for hall door
 and kitchen windows.
 Then I rode up to Mrs.
 Sullivan's to try my white
 dress tried on. She only
 had my shirt cut out.
 Papa had to go uptown at
 night to see Dr. Hunt. Deiter broke
 his collar when Emma Jewes came
 in. Tommy asked us if we wanted
 a kitten, then he went to see Ella.
