

Mrs Trusty is sick so we had a Miss Freeman to wash. Early in the afternoon I went over to Dwyer and asked Beatrice to go with me to Granite Hall to practice my piece. We went, and I came home with her. Then she came home with me for tea. We played euchre, and beat all but one game. Papa went to Thorold. Perry came after Beatrice. They have some violets out, and they smell like spring. Raining hard.

THURSDAY 12

(102-263)

Went over to Lee's in morning looks like rain. We went to have our ironing done, but she had to go to P. Smith's to wash. Mamma and I went to musical at night. Mrs Camp led to night. Mrs Margus was the only married person on the programme (nearly all Misses). Della Wilmer played "Moment Musical" by Scharfenka. The best one was a Rondo for two pianos by Chopin. Miss Paterson first piano and Mrs Margus the second. I think I got through mine all right.
