

The little wood stove smoked
and blacked the spare bedroom
ceiling. Mrs Trusty is here.
Washed & mended & gave her
my black & green wool jacket.
Went over to Meyers after
ginger snaps. In the paper
to fright it gave the
programme in the
church. Very cold.

THURSDAY 10

(130-235)

Mama cleaned the spare room.
I went over to Doyers in
afternoon to see Beatrice.
She is going to Salt
Springs to-morrow. God
she was just going for a
drive when I came and
did not stay. When I came
home Allie came ^{over}, which is
a wonder as she has not
been here since fall.
Mama went to Mrs
Sullivan's, and she was not
ready. Papa brought a new
magazine called Ample's magazine.
Do not care much for it.
