

Went to school in afternoon, the Inspector was there, dear-near, I did not try to answer questions. Mr Henderson lent Miss Dougan, Miss Benson & I his umbrella as it was raining hard when we came out of school. Ella came over and brought "Dolly Dialogues" home. She borrowed our rat trap. At night it snowed and blew phew! and I could not go to the Musical which I was very sorry for as it was Russian night & Miss McFarlane played. Papa brought some candy

FRIDAY 26

(26-339)

We burnt a lamp last night as the gas bills are so high. It is very nice to burn lamps. Did not go to school this morning as it was cold & blustry. 10° above zero. Mrs Carran came over with a rat for Pansy to catch it, and the naughty thing wouldnt as the rat bit her on the lip. Mamma Mrs Coy and Mattie went to Mrs C. Mober's card party in afternoon from 3 to 6 o'clock & Mrs Adluyt won first, Miss Bate the second and Miss Kate Clark the third prize. The first was a tea cosy, 2nd an orange knife, the third a book.
