A very fine day. The Queen died this morning at 6.30 and the Prince is now King Edward VII.

VII. Eva was in. I went up to Miss Boyle's to try my waist on after so long a time. Maumua went to the church to the service then uptown to see me all a-prou. Mrs Fisher was down & Maumua was away as usual. Wednesday 23rd

Papa brought a man home with him at noon. He is going to get a hot air pipe in the kitchen. I went to church this afternoon. Mr Murphy spoke on how to read the Bible.
