

Got out of going to school. Mamma went calling in the afternoon. She called on Mrs Sheehan and Mrs C. Moore. I went up to library. Could not get anything I wanted. Got "Modern Music" by Hullah. Went to the office. Papa has a new girl, Habel Hodge. She used to be in Mrs. Grasper's room, when I was there. Miss Vanderburgh's mother died Saturday night.

TUESDAY 13

(44-321)

I went up to room before I went to school. Got the office to tell papa not to forget the towels as the shower is washed away. Went to Eckhardt's after "Poetische Tonbilder" got it. When I got to school, it was 20 minutes to four so I did not go up. Stayed there awhile with Abbie Vanderburgh. Miss Tucker is having a musical and literary concert in aid of the Red Cross fund. Mamma and Papa went to Dr. Glatz' last night.
