

Eva says she is not going to school this afternoon as the whole town is in for a licking. Mamma and I drove down to Gustys for hops then to Bates for pinyon root. When we came home I dressed and went uptown to Library and at Attila by S. P. R. James road. And I went to see Alfie. She was not home when I got there but came later. They have a reception for Dinuth this to night.

WEDNESDAY 3

(276-89)

Very fine and warm. Mamma and I drove uptown. Took a trap to paper office. Papa gave me a \$1.00 I got a book 'steadfast' by Rose Denny Coker. Sent for a sample of hair stuff. Then we drove out to Deserw Falls for some earth. I caught a frog and got 6 snails. Got enough mushrooms for tea. Mr. Ray wants mamma to be judge at the fair to improve.
