

Canned Crawford peaches and  
 mamma made pear chips.  
 Coa, Tom & Leta Smith were over  
 fooling around. P. & I went  
 to Beaverville. Drove and  
 took Dexter along. I rode  
 up to the post and to  
 Hodgins on my wheel.  
 Got a "Buck" book for Coa.  
 H. P. was coming over  
 to-morrow, but Papa wrote  
 a card saying he would be  
 away.

SATURDAY 15

(258-107)

Took my music lesson.  
 Did not take any of my  
 new music as I have to finish  
 the old. Mr. Bead played a  
 solo for a cantata. He is  
 composing. This solo was on the  
 death of Siquel and Jonathan. I told  
 him about "The Throne of David".  
 Started Harmony again. Rode up town  
 and changed my library book.  
 Got "The Valley of Wildflower  
 Valley" by Martha Finley. Tried to  
 get "The Neighborhood was a Flower".  
 Mr. Bead & Edna about yet. Mamma  
 was up town. Mrs. Day has been  
 sick.
