

Had our first asparagus to day. It came from Leeves, Mauden & cleared the little front room. I planted my nasturtium seeds this afternoon. So did mamma & Phoebe plant their seeds. Papa & mamma intended going to Bidley College Assault - at Gwynn Masonic Hall, but Papa had to go to Lodge.

SATURDAY 12

(182-233)

Took my lesson. Romance by Grinfield. Have trials for next day. Lizzie came down to try on Phoebe's skirt. She has an awful cold. Mamma and I went to the Opera House to the Biograph. (Snowing pictures) and Mr. C. Leroy Perry explained them. I liked the pictures taken from the train C.P.R. best. The scenery was beautiful. Sharnfork. Columbia Yacht Race was good. A lot of the views were of British soldiers. Lizzie brought the skirt home.
