

Cooley than it has been,
 took Nellie's heptometre
 home. Then I mailed
 a letter for mamma and
 started for Miss Crawford's.
 Met her on Church Street
 so I turned and came
 back as far as Cox's
 with her. Came home then
 went and called
 on Ethel and Mabel
 Tucker. Got the free
 sample of hair stuff.

TUESDAY 9

(282-83)

Eva borrowed my gold bracelet
 yesterday and brought it back
 at noon. I made some
 cream candy but it was
 not as good as the old kind.
 Papa came home. Aunt Alice
 sent me seven books and
 a quilt. Papa shot 3 woodcock
 and a partridge. Eva had the
 two little Lawrence girls in
 here. She brought me some
 "Cracker-Jack". Papa brought
 some speck, peas, horse,
 had a sharp fight on
 Banner's Hill to night.
