

Practiced in the morning as we are going uptown in the afternoon. Mrs. Rusty was here. Mamma took Mrs. Kelley a bunch of flowers and her lace pattern bag. Staid awhile at the hotel. Then went to Sact's. Just got 19 stamps enough to fill my book. The stamp store was closed. A Colgan was down to see Nellie. We have new neighbors. A little kitten has been visiting us the last couple of nights.

THURSDAY 30

(242-123)

Eva brought her kittens over for me to see. They are cracked enough to make candy and cake. Eva helped me pick them out. Mamma and Mrs. Kelley went for a drive. Blanche Carrique brought Mamma's dolly home. Got a letter from Mr. Reed yesterday and commenced lessons by the 8th. Dr. Abbott and Mrs. Kelley were down at night.
