

did not go out of the house all day. Mamma made a fruit cake. I painted on a toy drum mamma has got for the baby Monday. Something you can't beat. Papa went from Toronto to Buffalo to the Masonic banquet in honor of the Grand Master of New York. I wanted to go to the Musical but oh my the weather so I played selections from Schubert & Bach as it was Remembrance night and I wasn't there.

FRIDAY 23

(54-311)

Went to school. Annie Gardner was there, and she asked me to go uptown with her so I did. We did not have to stay at school as Miss Cloney was not there. Mamma went out on a collecting trip. We lost our neighbors yesterday. Beatrice brought me a programme of the Musical this afternoon. Papa came home to night and brought mamma a pair of rubber gloves and me two pieces "Salome" by Wm. Lorraine and Ben. Hur Waltzes by Charles Hoffman. They are very pretty!
