

Went over to Carman's to see
 Ella about some flags she
 told me about. Marjuna
 and I drove to woods after
 ferns. Got quite a lot of
 them. Ella came over
 at night to tell me
 about the flags. Gave her
 20 cents for 3. The firebugs
 tried to burn Wilson's lumber
 yard Saturday night, and
 last night they burnt their
 barn with some buggies and
 one horse.

 went to Decid. G. all fishing.
 Caught 2 large suckers.
 Marjuna got enough dock

 our old sidewalk.
