

Papa & I went to church in the morning. They had a memorial service for R. Irwin who died July 1st. All the soldiers and afterans were out. Took our seat. Sermon Ecclesiastes XII. 13 & 14 verses. Did not go to Sunday School or church at night. Walter DuMoulin the Bishop's son preached in the church at night. Mr Mc Sloy & Frank Gehholt were here at night. I have been reading "Prince of House of David" over again.

MONDAY 9

(190-175)

Very chilly and damp to day. Practiced 2 hours to-day as it was cool. They intended having the electric cars running to Falls to-day but the President Mr P Jones was out of the city. Had an excursion in the Park to-day. Very nice day for once. Mr & Mrs Dwyer were over in the evening. Papa & mamma were hunting dew worms this evening.
