

Jan'y. Thursday 10<sup>th</sup> 1901

Very horrible day raining.  
Did not go to the Dr. as it  
was so damp. Couldn't go to  
church. I am so sorry the  
weather has been so  
bad. Got the pritypes from  
Dronov's to - night. There are  
some very pretty ones  
Papa and I played  
exchre. As heat. Expect the  
soldiers home to morrow.  
So odjespa was at the Opera  
House to - night.

Friday 11<sup>th</sup>.

Woke up with a very bad  
cold in my head. Mrs. Marquis  
came to ask me if I  
would play next night.  
Jan 22<sup>nd</sup> church night I send  
my pieces in. She is sick  
with a cold so had my work  
for nothing. It said in the  
paper there were about 300  
children at the church yesterday.  
Papa & I played exchre again  
& I won this time.
