

This afternoon I dressed & went to Mrs P's to see if she would go for a drive. Stella is there. She & Beatrice rode to Niagara this afternoon. Mamma & Mrs Ray went for a drive. Papa went supper at night to see Dr Silver. Beatrice gave Mrs Ray 146 stamps & Mrs Wood 125 as she could not see them. Papa bought some apricots today.

THURSDAY 2

(214-151)

Looked like rain. Mamma & I went for a drive to Mrs Woodruff's. We will get our own long blackberries. I need a piece of butterfly net near Woodruff's. Papa went to lodge at night and I went with him as far as P's to see Stella. Had not been there a minute when Beatrice & Percy came after her to go to the park. We went. It was a fine programme. They played Kipling's Recessional. I saw Mellows & Newt step in by K.K. Mr. Peel was there.
