

Took my music lesson. Mr Read heard some good news about me. Someone from the college said I was the best young player in Musical. He wants me to go to the closing, and after it starts in Sept. to go and practice duos, quartets &c. He gave me "Basque Dance" one of his own. I went over to Detas in afternoon. Mrs Dudley she and I went uptown. She got a new pair of shoes.

SUNDAY 8

(98-267)

Went to church. The sermon was John 12. 19 vers. This is Palm Sunday. I put up some of the Brown pictures in my room when I got home. Went to Sunday School. Dizzie came to meet me. My lesson on the paper was "Christ Crucified"; but Mrs Ham took the regular lesson precepts and promises. Papa and Grandma went for a walk. Did not go to church at night.
