Did not go to school to-day. Mamma has been lengthening my feather mixture skirt & I wore it to-day. Went to Droyer's after Beatrice to go with me to try the pianos in W Henry's Hall, but she & May Henderson went out to Nellie Barbres as she has been sick. Went & got Nettie to go with me. The one piano is a good one. They are both Nordheimer's. Papa & Mamma went to Coy's at night. Papa got a price calendar from the Peters Cartridge Co to day at noon. J. N.
