

Seems funny to not have to take a lesson. Mamma & Aunt Allie were uptown again today. Aunt Allie got a Capeyning of Persian Lamb & bearskin for Aunt Rebecca. She started for Ridgeway on the 6.00 train. Did not do much of anything. Eve was in to have her hair curled last night for their entertainment.

Did not go to church this morning as I have a bad cold on my lip. and by Sunday School time it was no better so I did not go. Eve was over. Brought one of her Christmas presents "Grandma Elsie" over for me to read and I left her "Tip Lewis and His Lamp". Papa, Mamma & I went to Church at night. Sermon on the Beatitudes "Blessed are the peacemakers". Came home with Coys. Papa & Mamma went to their place with them. Papa came home first. Allie came with him.
