

Took my music lesson The 2nd
Poetic Inflection of Grieg and 14th
Etude. I have Modulation of a Passage
of Music for next day in Harmony.
It has been raining nearly all
day. I wrote a letter to Mamma
Mamma went uptown to
get the prizes for Monday
night and to Midley College to see
Miss Cleghorn about the affiliation.
Mamma got a pack of cards for
gentlemen's pike and a cute cup
and saucer for the ladies. Papa
bought some peanuts home at night.

SUNDAY 25

(56-809)

Went to church in the morning
It was so cold in the church
that Mr Perry would not preach
the sermon he had prepared
so he read an appeal for
the Lenten season from our
Bishop. Beatrice wanted me to
come Queen St. but when we
got to the church door, and saw
the snow, and heard the wind
didn't see the point. Read the
Prince of the House of David.
I enjoyed it very much.
Papa is reading "Ben-Hur"
Did not go to church at night
