

Very damp and cool
out today. I made
some maple cream
with whipping cream
in to night. Mamma
went over to Conrains
to have Ella show her
how to do darning needle
work. Had two students
in church last night.
Papa paid me \$2.⁰⁰ Pansy
caught a mouse in paper
basket.

Mamma went to Welland
House to call on Dr Abbott's
sister. I dressed and
went down to Miss
Crawford's but nobody
was home. Called for
Dwyer's and Beatrice was
not home. Mrs Dwyer
thought she had gone to St.
David's for tea. Mabel came
after the towels and brought
a little Skye terrier pup
looks like crain again
to night. Kids in the
park but I do not think
the band played.
