THURSDAY 20

(354-11)

Yesterday morning I fixed a
 picture of Pharaoh's horses on
 a piece of gray mat I had
 left. We are making fruit
 cake. Eva came up early
 this morning with her
 eyes as large as saucers &
 said "I have bad news"
 The next door neighbors
 have diphtheria. Dr. Q. Flynn
 and Sidney were here
 for tea. They played
 King Pedro after.
