

Went to church in the morning. Had Mr Perry's sermon I gave XII - 12 verses. Came home with Lizzie. Eva was over before I got dressed. Went to Sunday School in the afternoon. Lesson Luke XII. 13 & 13 verses. We did not get our "picture papers" and the arrangement after them. Papa came home about 2 o'clock. Brought a basket of grapes.

MONDAY 17

(260-105)

Very cool to-day. Had to close windows and doors. Carved peaches in the morning and tomatoes in the afternoon. I finished my sermon & started on Saturday very gloomy and depressing at night.
