

Leta is going to Toronto to-day. I had to go uptown in the morning. Got pyd. of velvet ribbon for my hair at Andersson's. It rained very hard last night. Finished "Throne of David." I enjoyed it, and think I will get "The Pillar of Fire" as I have read the two other ones. Maunie & Agnie Stuart came this afternoon. Lizzie & Miss Toll were down at night. Leta wants me to take her close Saturday. I have consented, but oh my.

SATURDAY 21

I had to go uptown in morning for meat. Got a hind quarter of lamb \$1.40. Oh my. I mailed some letters for Maunie. Went on market to see Mrs. Woodruff about berries. Maunie, Jean & Maunie drove out to Deew in the afternoon. I rode up to library. Got the "Pillar of Fire". Saw Bessie Read & Lulu. Got the papers.
