DAILY JOURNAL

1900

Wednesday Jan 30th 1901.

Mrs Brerly is here to-day.
Mamma had to go to the
church & to Mrs Sullivan's.
She got some very pretty
samples of waist goods. I am
going to get one with pieces like
Shorston's braid running through
it. Ella was up. Poor Tommy
is very sick with pneumonia.
They have a debate to night
in the church between a
boy & girl. Last night our
Society debated against Y.M.C.A.
in their rooms.
