

Mamma went collecting this afternoon, and I was to meet her uptown. Took a net doily to Winnie. I went to office and waited for mamma. We went to Andersons. Had two hats sent down. Papa mamma and I went to the "Little Minister" at night. It was fine. The minister had a queer head. Babbie was pretty. Mrs. Dr. A. Hurd took the part of Gavin Dunsieat the <sup>ministers</sup> and Adelaide Thurston & lady Babbie. Got some medicine from Cincinnati.

FRIDAY 20

(110-255)

Went uptown in morning. Got some white ribbon for a tie and belt at Miss Andersons. Changed library book, got "In Deacon's Orders" by Walter Besant. Was talking to Fulu Peggins. Winnie and Ella were over at night. Winnie is going to start Monday night and is married next week. Papa had to go uptown. They had "H. Faust" in the Opera House to night. I would like to have seen it. Picked out a hat. A brown trimmed with ivy, brown chiffon and pink silk.
