

I went collecting for mamma. Was to Mrs R Appolds, Coys and Mrs Smiths. Got the money at every place. Was at Mrs Smiths quite a while. Then went up to Wilsons. They drove out to Overholts with three large bass. Lizzie was dogon, and Cella brought us a lovely bunch of sweet peas. Got Laddie's Home Journal for August. Has a sweet story 'The Story of a Song: Schubert's love story'

WEDNESDAY 25

(206-159)

I had to take the money to the church to-day. There was only Mrs Shatfield, Mr Perry & Mrs Wyatt there. I was asked by Mr Perry "if I was general collector for this month." Waited for the names. Got some fancy biscuits at Lee's. Papa & Mr Overholt came home to-night. Papa brought me some porcupine quills, two hawk's feet & a porcupine's foot. He drove Mr Overholt home.
